

AWARD-WINNING
WINE LIST

WELCOME TO YOUR WINE JOURNEY

This menu presents a curated selection of exceptional wines from both the Old World and the New, celebrating global traditions alongside local grape varieties and producers devoted to organic, sustainable farming. Our emphasis is on small, family-run estates whose limited production wines are often difficult to find—some available exclusively here at Roth's Sea & Steak.

Behind every bottle lies a story: the people, the history, and the land that shape it. We invite you to explore these wines as part of an international journey that reflects the diversity of wine culture in an approachable, unpretentious way. Whether you're searching for the perfect pairing or something new to discover, our team is always delighted to guide you. Above all, we hope this list enriches your dining experience and leaves a lasting impression.

HOW IT WORKS

The Coravin wine preservation system ensures each wine is enjoyed at its peak by allowing the wine to be poured from the bottle without compromising quality. Our Coravin pours ensure the last glass will taste just as amazing as the first.
